WHERE WE SUPPORT LOCAL

Local Beverage Procurement Policy

Venues Ōtautahi owns and manages Christchurch Town Hall and Christchurch Arena on behalf of the people of Christchurch and manages Orangetheory Stadium, Air Force Museum of NZ and Hagley Oval on behalf of other venue owners. These iconic venues play a valued role to the Christchurch way of life and the economic prosperity and social wellbeing of the region.

As a result, we have a local beverage procurement policy. Supporting local is at the heart of everything we do. When you hold your event at any of our venues, you are supporting a local business, which in turn supports local procurement, resulting with the money staying in our region's eco-system.

Through purchasing from the people who come to and support the venues not only allows our guests to share and experience beverages from the region, it also helps to form that almost natural ecosystem of supporting our local suppliers who in turn support us by attending corporate events, tradeshows, or concerts.

Our local beverage procurement policy is something that Venues Ōtautahi is extremely proud as we know the benefits it brings our community.
